**FEEDBACK ON the exchange day with the Belgian students (21st April 2016)**  
**Project: “ Biodiversity: The Importance of Being Different”**

1. What was **your impression of the day**? Mention the positive and/or negative points of the overall program and why it was worth living.
2. Provide a comment of the organisation of **the UDINE tour and the school tour**. What was good and what needs to be improved.
3. Reflect upon **the quality of your interaction with the Belgian visitors**. How willing were you to socialise? Did you use the prepared questions? How much effort did you put to encourage the conversation in English with your partner? How satisfied are you of your performance?
4. What did you **discover about your new friend**? Which similarities and differences? What else would you like to know about him/her?
5. What was the **behaviour of your foreign friend**? Did you notice any interesting reaction? To what extent did your partner actively participate in making the day memorable and pleasant?
